Kindly refer to the heading above.

I Beatus Simon with registration number 2023=04-12952 a third year student pursuing a bachelor of Electronic science and communication kindly request for special test of TE411 due to sicknesscausing intense rash and eye issues; as a result I had to go to Regency and later on Shifaa Pan African Hospitals Limited, All of the regency processes are done online and no documents are provided, I only have pan African hospital NHIF requisition and claim form and I will attach it.

I hope my request will be taken into consideration.
